To Whom It May Concern:

Please be advised that Paramount Pictures has engaged Riviera Maya Films to provide production scouting services in Cancun in regards to the feature film, "In Betweeners." We will have a small team of filmmakers working with Riviera Maya Films from April 3-7, 2012 and will be securing footage for informational and/or commercial purposes during that time. Principal photography for "In-Betweeners" is scheduled to begin in the Summer of 2012.

Please feel free to contact me with any questions.
